**Ephesians 5:20 "Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ."**

What a wonderful time we have had as we have driven from North Carolina to Ohio, to Tennessee, to Virginia, to Louisiana, and Texas. God has spread His glorious touch over all the trees in our path, letting us enjoy the beauty of the Fall in this wonderful Country. It has been breathtaking, and seems we have thanked Him at every turn for what He created just for us. It is so easy to thank Him when we see all this beauty, and when we sat down to a table loaded with scrumptious food on Thanksgiving Day. What a bounty! But the verse at the top of this letter, Ephesians 5:20, says to give thanks always for ALL things. Good-

ness, it really is hard to give thanks when you lose your transmission on the way to a church in Texas. But it does become easy when you see God provide yet again thru His children, our faithful Brothers and Sisters in Christ, who dug deeper into their wallets and provided ALL of the cost! And it continues. We are looking at "reworking" our presentation video so that it reflects the time already spent in Zambia and the vision for what lies ahead. When you're on the road and not really tech savvy it can be a daunting task. But God has again provided thru a Brother who has tremendous talent and experience in doing just that, and is willing

Thank you!

to help us "get 'er done". God is indeed Jehovah Jireh, the One who supplies every single need we have; the One who gives in abundance to the point of blessings running over. How in the world could we be anything but thankful to this wonderful God that we serve.....our precious Savior, Jesus Christ.

## Short term plans

As you know, we have been making lots of changes to the ministry. We are now with Central Missionary Clearinghouse in Houston, Texas for our finances. They are not a board. So remember, please send your support to them, not to BIO or our home

church from now on. Their address is at your left. We have set up our new Board and we will be sending information out to all of you on who they are soon. We are booking meetings all the way thru a portion of May to attempt to gain further support,

but plan to return to Zambia by the end of May. We are already communicating to folks there to prepare for the move to Mazabuka out of Livingstone. Plans for the college are ongoing and excitement is building. Translation work is ongoing. Amen!
