

MERRY CHRISTMAS FROM ZAMBIA!

## A Sweet Savor

Jack & Charlye Price, Your Missionaries to Zambia, Africa

**What a wonderful time of year to be greeting you in the name of the Great I Am who came as a wee babe to forever change the lives of men! While it is difficult for us to envision fires in fireplaces, beautiful trees lighted, snow (mainly because the sweat is dripping from our hair), we never tire of rejoicing at His first coming and look toward His second coming with expectation.**

**What an exciting and productive few months we've had since our last letter to you. We held our very first Youth Conference in the new church plant in Magoye in August. The theme was "There are Giants in the Land", helping them to deal Biblically with the giants they face in their everyday lives. Was it a success? Oh yes! 10 professions of faith! We also had a gospel singing open to the surrounding area on the last night, with 100 coming! From that, 3 new families have joined the church! In total, there have been 16 professions of faith in that baby church, and Pastor Siachababa is looking for a safe place (no crocodiles) at the river to baptize.**

**Please keep Emmaus Road Baptist Church Magoye and Pastor Siachababa in your prayers. This is a rich area for souls, and now the Headman for that area is pleased with what we are doing and talking of gifting us with tribal land for a permanent church building!**

## ERBC Chilala

We *finally* began the paperwork required for the permanent structures for the church buildings at Chilala. Wow! Much more complicated than in the US! We have already spent \$1000 just on paperwork, but with approval of the Town Council next month we can begin the actual buildings! PRAY!!!

Two new ministry workers have been trained to take over the Children's Outreach, Robert Kampamba for teen boys, and Salome Banda for the younger children. They are doing a wonderful job with our "bana", and we now have two new families attending the church because of the change in their children!

We are continuing to do translation work, and thanks to Mum Florence Kalunga, we have a translation of the booklet "Believer's Baptism" (written by Bro Huey Diffey) into IchiBemba, SiLozi, and ChiTonga! More of Brother Huey's booklets to follow!

The work at Nakambala Boys Reformatory/Prison continues to flourish. The guards have told us they hope nothing happens to make us leave because the boys are doing so much better since their Bible training began. Balm to our hearts and ears! There have been 3 salvations among these young men, three guards have earned their Bibles, two Bibles given for study time for the boys, and two have earned their own Bibles. We are also working closely with the local hospital for counseling, have had 4 staff members to earn their Bibles there, as well as 3 at our local Police! Our deepest thanks to BEAMS for the ability to share God's Word! Please keep Pastor Muyeyi, his family, and ERBC Chilala covered in prayer!

Our most humble thanks to all of you for your continued intercessory prayer on our behalf and your continued financial support! May His abundance pour down on all of you at Christmas and continue to do so until the day of His appearing! Amen!
