

A HUGE thank you to American Textiles for donating sheets, and to Doug and Kathy Summer for shipping them to us! When Kathy, who was my boss in Hospice, heard that our local hospital had no sheets on the beds, she jumped into gear and sent enough for the hospital AND for Nakambala Approved School (our boys reformatory). Serah and I have stamped them all, have them packaged and ready to be delivered!

It has been a hectic time here since March. The end of March our house was robbed of all our electronics while we were at church. We were already trying to recover almost \$2000 one of our guys embezzled from us. Of course, our car broke down again, and while being repaired the full tank of petrol was stolen. Then a guy who had visited at our church in Chilala stole all of our church pews to sell for salvage. We are developing a rapport with the police we never really wanted, but through all that 12 officers have earned their Bibles! Both churches are growing, both physically and spiritually, and Sunday school at Chilala has been become a time of fervent and excited discussion and learning. Deepest gratitude to Source of Light for the training materials, and to BEAMS for the much needed Bibles!

Many of you have asked how you can help, so we have made a list of the basic building structures for all 3 buildings, sanctuaries for ERBC Chilala and Magoye, and the J. Mark Brown Youth Training Center at Chilala. No wiring is included as yet as we are debating on whether to use solar or wind power. The costs are as follow:

Cement for footers, slabs, and mortar.....	150 bags @\$6.50/bag.....	\$975.00
Rock and sand for mixture by the ton.....		\$600.00
Rebar, wire, vapor barrier, nails.....		\$700.00
Foundation blocks, 8" @\$0.50/block.....		\$855.00
Blocks for walls, 6" @\$0.45/block.....		\$3375.00
Sheet Tin for roofing.....		\$2120.00
Lumber.....		\$500.00
Toilets and showers.....		\$500.00
BASIC COST FOR ALL 3 BUILDINGS		\$9625.00

Labor is negotiable, and much will be physically done by the church members. The church members will also be responsible for raising funds for the stuccoing and painting of the facilities. Come on over and help!!!
